

Ready to make your virtual meetings be as professional as in person meetings?

HOW TO **ELEVATE** YOUR PRESENCE ON VIDEO MEETINGS

WHEN YOUR TEAM FEELS CONFIDENT ON CAMERA, YOUR CLIENTS FEEL CONFIDENT WORKING WITH THEM.

Looking like a professional in an online meeting has never been more important. Yet many people are uncomfortable and self-conscious when speaking to the camera. Let's face it, NO ONE was trained to look at themselves while talking! The good news is, Amanda can help you with that so that your first impression makes you come across as the professional that you are. Let's train your team to help empower and retain them.

WHAT WILL YOUR TEAM WALK AWAY WITH?

A proven game plan that lets your team show up to a video meeting at a moment's notice, looking every inch of the professionals you are, so you can concentrate on performing your business with excellence. You will get these key takeaways and more:

- Clothing colors to make you shine
- Best practices in setting up your space
- Technology broken down to every budget
- How to reduce glare on your glasses
- Techniques to empower you when speaking on camera

WHY *Amanda Mae Gray*

IS YOUR GO TO VIDEO GAL:

Amanda is an on camera expert from being an actress, model, & spokesmodel for the past 18 years where she learned all the industry secrets. Now, she hosts the livestream podcast, Yes You Mae, on YouTube & Spotify. Combine that with her love for DIY, Amanda created her own small, budget friendly home studio space after hundreds of zoom calls.

She is not only informative, but also fun, entertaining, and engaging!
